

Healthy School Student Team

Fuel up to Play 60

News to share with your classroom

November

Thank you for participating in our annual **Halloween Candy Exchange** last week! We are so happy to share that we collected 431 pounds of candy!!! That means we earned \$431 dollars, a

dollar for every pound! Local dentist, iOrthodontics, accepted our candy and gave us a check for \$431!!! The Fuel up to Play 60 student team will be voting on what playground/recess equipment to order with these funds. If you have any suggestions - please let us know!

We are rolling along with **Mileage Club!** Each week, on Wellness Wednesday, remember to wear your walking shoes AND chain/charm necklace. Exciting news, on Wednesday November 14th - before

Thanksgiving Break - we will have another **SPECIAL CHARM** day - complete just 2 laps and earn a **TURKEY** charm!

Yippee - it's a Turkey Trot!

Help us **reduce food waste** in the cafeteria! Each day remember to pack in your cold lunch, and take on the hot lunch line - only what you will eat. Enjoy all the tasty fruits and vegetables! Don't throw them out!

Let's all FUEL UP to PLAY 60 and be ready to learn!
